Page Margin  
1"  
All Sides

\*These data were provided by the student for the purposes of this study.

Tables too big for portrait  
pages may be placed on landscape pages.  
Select the table, caption, and notes.  
Then choose Page Setup > Margins > Orientation.  
Choose Landscape, then change “Apply to” to  
Selected text. This should change the layout  
only for the selected text/items.
